Football continues to be Australia's participation sport of choice amongst boys and girls as it is everywhere else around the world. The eyes of the world and nation have been on the Socceroos in Qatar and the Matilda's during the most successful FIFA Women's World Cup in history.

The impact this event has had on the entire Football Family and those new to the game has been huge. Congratulations to all the South Australian volunteers and officials who helped make the game such a huge success.

At local club level, another season brought with it memorable moments that will live with the players and their clubs, be it a premiership, a cup run, a local derby, a championship, traditional rivalries or precious new friendships. The achievements of Adelaide Comets who were crowned the Premiers of GO Sunny Solar WNPL and winners of the Women's National Premier League and State League Cup. Salisbury Inter took out the Go Sunny Solar Women's National Premier League Grand Final, being crowned 2023 Champions. MetroStars achieved the RAA National Premier League SA Premiership and lifted the Federation Cup. A congratulations to Adelaide United who were crowned RAA National Premier League SA Champions for 2023.

- ESTELLE BOWMAN -

- MICHAEL CARTER -

The achievements of both MetroStars and Campbelltown City are also to be applauded on their Australia Cup Final Rounds Journey. Campbelltown City reached the round of 16 being defeated by Melbourne Knights FC, while MetroStars made it through to the Quarter Finals to just fall short against A-League side Melbourne City.

Football South Australia will continue to build and enhance the participation environment for families, players, coaches, referees, spectators, volunteers and general supporters and administrators of the game in South Australia. We will maintain a focus on the continuous improvement of the competitions, which will lead to the sustained growth of Football across the State.

Local Government has also been a great friend of Football providing much needed funding and investment in our sport supporting the appetite for soccer in South Australia. 41 projects with a total project cost of more than $42million were funded through the former Labor Government's Female Facilities Program and co-contributions launched in 2015. The Government will deliver an $18 million grant program over the next three years for dedicated female facilities and improvements that grow female participation. $10 million of the grant has been quarantined for Football South Australia, with the governing body agreeing to match the grants dollar for dollar through a range of funding sources including clubs, Local and Federal Governments. Together we can make more impactful investments in community football, ensuring a positive and more inclusive community for every participant in South Australia.

The success of our sport and the opportunities it provides would not be possible without the contribution of our growing list of corporate partners, our clubs and associations, our Match Officials, our committees and boards, and the dedicated volunteers who support the game in South Australia.

We would also like to acknowledge the tireless contributions of all Board members who carry the responsibility for the governance of our sport, together with the staff at Football South Australia who are to be congratulated for delivering progressive and positive outcomes for our sport.

On behalf of Football South Australia, we wish all clubs and associations a successful 2024 Season.

SOUTH AUSTRALIAN RECIPIENTS

FOOTBALL AUSTRALIA

The inaugural induction of the National Football Hall of Fame was in 1999 and consisted of three levels and six different categories for induction. It took into account the involvement of individuals in the game dating back to 1880. In 2009 the FFA changed the induction process to cater for only one level and two categories, Hall of Honour for non-players and Hall of Champions for players.

In 2022 Football Australia did away with all categories including the ones which had been allocated previously. Induction into the National Hall of Fame is simply that.

Up to and including year 2023 there are 26 South Australians who have been honoured at the highest level, with induction into Football's National Hall of Fame.
