JOINT MESSAGE

FROM THE PRESIDENT AND CEO

Dr Jane Rathjen

Michael Carter

As we look back on 2025, we are proud of how far football in South Australia has come and excited for what lies ahead. Football continues to hold its place as the number one sport of choice for girls and boys nationwide. It is a reminder of the passion this game inspires and the way it brings people together from every corner of our state.

This year delivered plenty of stand-out moments, both on and off the pitch. Every player, coach, volunteer, administrator and supporter played a part in shaping a memorable 2025 season. Congratulations to all teams competing across our competitions and to the individuals and clubs who achieved remarkable milestones in our football community.

In the Women's competitions, the season saw impressive performances once again. West Adelaide added more titles to their strong history with another impressive year, including honours in both the Premiership and Cup. The chase for the league highlighted the strength and depth of women's football in South Australia with the 2025 Championship final serving up another fierce contest, showcasing the quality and commitment we now expect from this competition.

Across the men's National Premier League (NPL), MetroStars continued their strong form with a phenomenal season both locally and nationally. The race for the Premiership, Cup and Championship titles delivered the drama that keeps the NPL at the top of the local sporting calendar. Our congratulations go to all title winners and finalists who pushed the standard higher once again.

South Australia also continued to shine nationally, with MetroStars and Croatia Raiders making their mark in the Australia Cup Final Rounds and MetroStars achieving entry into the inaugural Australian Championship competition. SA's representation and strong performances on the national stage reflect the growing depth of talent and professionalism within our competitions.

Looking ahead, Football South Australia remains committed to creating an environment where the game continues to grow strongly and where every participant can thrive. We will continue to build on our work in competitions, coach development, player pathways, referee support, club services and facilities, ensuring the game keeps moving forward in the right way.

Key strategic initiatives started in 2025 will be continued into 2026. These include the Coach Education Fund, and a coach exchange program in partnership with Adelaide United and PSV Holland. We will also continue to invest in attracting, training and retaining referees. Supporting our coaches and referees remains a priority, as they play a critical role in shaping the experiences of players at every level.

We thank our local and federal government partners for their ongoing investment in facilities and programs that strengthen our game. We also acknowledge the generous support of our commercial partners, sponsors, clubs, associations, match officials, committees, boards and the many volunteers who give so much of their time. Football in South Australia simply wouldn't function without you.

To our Board, thank you for your continuing strong leadership and guidance. To the staff at Football South Australia, thank you for your energy, professionalism and commitment to delivering meaningful outcomes for the football community.

As we prepare for the 2026 season, we look forward to building on the achievements of 2025 and creating new opportunities for our participants. On behalf of Football South Australia, we wish all clubs and associations a successful, positive and exciting season ahead.

**FOOTBALL
AUSTRALIA**

The inaugural induction of the National Football Hall of Fame was in 1999 and consisted of three levels and six different categories for induction. It took into account the involvement of individuals in the game dating back to 1880. In 2009 the FFA changed the induction process to cater for only one level and two categories, Hall of Honour for non-players and Hall of Champions for players.

In 2022 Football Australia did away with all categories including the ones which had been allocated previously. Induction into the National Hall of Fame is simply that.

Up to and including year 2025 there are 27 South Australians who have been honoured at the highest level, with induction into Football's National Hall of Fame.

FOOTBALL SOUTH AUSTRALIA

HALL OF FAME

The inaugural induction into the SA Soccer Hall of Fame was in 2003 and consisted of three levels and six different categories for induction. It considered the involvement of individuals associated with the game dating back to 1902.

In 2011, in conjunction with the FFA, the SA Football Hall of Fame Honours Committee changed the induction process to cater for one level and two categories, Hall of Honour for Non-Players and Hall of Champions for Players.

The away goals rule will not be applied for the Semi Final matches.

The team who finishes in first (1st) and second (2nd) position at the conclusion of the Home and Away Season can nominate their preference to play the first (1st) leg of their Semi Finals either at home or away, subject to venue availability and Football SA approval.

Football SA may change the finals format at its own discretion.
