PRESIDENT'S REPORT

Season 2025 has been a year of consolidation, progress and strategic positioning for Football South Australia.

Football continues to hold its place as the leading participation sport for boys and girls in South Australia and Australia. In South Australia, we have seen a further year of growth with the number of players in Football South Australia competitions now exceeding 45,000. With the Women's Asian Cup being hosted here in Australia and the Socceroos on the way to the

World Cup in North America, the visibility of our game has never been greater. This presents both opportunity and obligation - as custodians of the sport in this State, we must ensure that growth is managed responsibly and sustainably.

With the expansion of the State League 2 competition and launch of the YCC, our

focus at Board level throughout season 2025 has centred on governance, financial oversight, long term planning and risk management. Strong governance does not always make headlines, but is a necessary foundation upon which successful organisations are built, particularly in times of growth, change and uncertainty. The Board has continued to refine policy

PRESIDENT'S REPORT

frameworks, monitor financial performance closely, and ensure that Football South Australia remains agile but still aligned with national standards and regulatory requirements.

Sustainability is central to our strategic thinking. While strong participation growth is fantastic, it brings pressure on clubs and their volunteers, and administrators, and facilities and infrastructure. The Board has worked closely with management to ensure that the player expansion across competitions and programs is measured and supported by appropriate resources. We have committed to further working with clubs across all levels to help accommodate this growth.

We also recognise the increasing complexity of community sport. Issues relating to safeguarding, integrity, behaviour standards and regulatory compliance require constant vigilance and responsible leadership. Football SA remains committed to maintaining high standards

across all clubs and associations, ensuring that football in South Australia is inclusive, safe and welcoming for all participants.

Volunteers are the lifeblood of our game. The Board is acutely aware of the time, effort and commitment invested into clubs and associations by passionate members from all corners of the football family. This tireless commitment often goes unseen and unrewarded. On behalf of Football South Australia, I thank every single volunteer who has contributed during 2025. You are the nuts and bolts that hold our wonderful football community together and allow it to thrive.

Our relationship with the Government remains constructive and critical. Investment in facilities and community infrastructure is critical to meeting demand, particularly in growth corridors and regional areas. The Board acknowledges the ongoing support of State and local governments in working with us to identify future opportunities for

football development.

I would also like to acknowledge the unwavering strong leadership of our CEO, Michael Carter, and the dedication of the Football SA staff in keeping our game functioning across the State. Their professionalism and commitment each and every day ensures that our standards of administration and service continue to be recognised as best practice across the State.

This year, the Board also reflected on the importance of honouring our history while preparing for the future. Football in South Australia has been shaped by generations of players, families, administrators, supporters, referees and volunteers and we reaffirm that progress must always be grounded in respect for those who built the foundations. Football has the extraordinary ability to connect communities across culture, age, gender and geography and our responsibility is to protect that unique strength while positioning the game for future generations.

As we look towards 2026, our priorities remain clear:

- Strong governance and financial stewardship
- Sustainable participation growth
- Safe and inclusive environments
- Investment in infrastructure and facilities
- Continued alignment with national frameworks

On behalf of the Board, I thank our members, partners, clubs, supporters, associations, match officials, volunteers and participants for your continued commitment to football in South Australia. Together, we will ensure the game remains strong, inclusive and sustainable for years to come.

Michael Carter

CEO'S REPORT

Football South Australia has performed well against our strategic priorities in 2025. Competitions have expanded and evolved, we have welcomed new commercial partners, participation has increased, our regional footprint has grown, the African Youth Program has been a major success and investment in key infrastructure projects has continued.

Competition Growth and Structural Reform

The expansion of HPG Homes State League 2 has provided an uplift in profile, recognition and interest in the competition. The introduction of the North and South conference system revitalised the competition and generated strong interest throughout the season. The playoff series delivered record attendances and demonstrated clear appetite for structured growth within the semi-professional tiers.

Four new clubs were welcomed into the competition in 2025, with a further four to enter in 2026. The competition will expand to two conferences of twelve teams in the near future, and this will complete the expansion of the men's semi-professional competition. We look forward to the HPG Home State League 2 evolving in the next two seasons.

The Football community celebrated the representation of MetroStars and Adelaide Croatia Raiders competing in the Australian Cup. MetroStars also competed in the inaugural Australian Championship finishing second in their group.

The introduction of the NOVA Youth Club Championship has marked an important step in the process of improving youth competitions in the state. The competition promoted a stronger club first mentality and improved standards of behaviour across participating clubs. The inclusion of a final series for Under 13 to Under 16 boys and girls was a great success with over 6,000 spectators attending the NOVA Youth Club Championship Finals Series with matches played at ServiceFM Stadium.

Corporate Partnerships and Commercial Strength

Football is extremely fortunate to have an established list of key corporate partners who see great value in investing in the Football community. Football is the state's largest participant sport with a huge Football Family to support the ever-expanding code. The breadth of brands supporting football in South Australia is a reflection of the strength of our code.

In 2025:

- Think Road Safety joined as a major partner
- Flinders University extended its partnership supporting the African Youth Program and pathway initiatives
- RAA re-signed as Naming Rights Partner of the men's NPL
- Apex Steel entered a three-year agreement as Naming Rights Partner of the Women's NPL and WSL
- HPG Homes signed a three-year agreement as Naming Rights Partner of State League 1 and 2
- Sportal became Naming Rights Partner of the SA Amateur Soccer League Premier Divisions
- DATACord became Naming Rights Partner of the Collegiate Soccer League Division 1 and 2
- Bleasdale Wines entered a three-year partnership as the official wine partner of Football SA

These long-term partnerships provide confidence and stability for the game and reflect shared values between Football SA and the corporate community.

CEO'S REPORT

Investment in Coaching and Development

Establishment of a \$50,000 Coach Education Fund to strengthen coaching standards across the state was introduced in 2025 with more than 300 coaches gaining accreditation via the initiative.

As part of this program, five South Australian coaches travelled to PSV Eindhoven to spend a week immersed in a world class academy environment, in partnership with Adelaide United. This opportunity represented our ongoing commitment to investing in people, not just competitions.

The Coach Education Fund will continue in 2026, reinforcing our belief that sustainable success begins with quality coaching and strong development pathways.

Finances & Sustainability

Football SA recorded a strong operating surplus for the calendar year, and the organisation's Balance Sheet remains in a strong position. Grants received increased comparatively to the 2024 financial year and this was largely around new programs being delivered by the Football Development Department. Investment from corporate partners increased and ServiceFM Stadium performed well with operations in a very positive position.

As the governing body for the game, we remain acutely aware of the challenges faced by volunteers at club and association level. Volunteer fatigue is real, and it is critical that Football SA continues to review its internal structures and resources to ensure we are supporting the modern demands of the game.

Sustainability remains one of our key drivers as we move toward our next strategic plan.

Demand for football continues to grow at all levels. As we enter a World Cup year, that demand will only increase. Football SA will continue working with all levels of government to unlock infrastructure funding, activate additional land for football in partnership with the Office for Recreation, Sport and Racing and the Department for Education, and diversify revenue streams.

TADIUM

I would like to acknowledge the commitment of our Board of Directors, who serve the game in a volunteer capacity and provide strong governance and direction.

In 2026, the Board will establish an award recognising the extraordinary contribution of Denis Harlow OAM, who has dedicated more than sixty years to preserving the history of football in South Australia. His contribution to the game is unparalleled and deserving of permanent recognition.

To the team at Football South Australia, your professionalism and dedication continue to exceed expectations. The organisation would not be in its current position without your commitment to delivering for the game every day.

The 2025 RAA Celebration of Football was the largest in our history, with close to 1,100 guests in attendance. It stands as a reflection of the unity and strength of the football community in this state.

Finally, thank you to the volunteers, club and association leaders, players and match officials who make football what it is. Your contribution is the foundation of the game's continued success.

COMPETITION OVERVIEW

Significant work undertaken in 2024 to review and redesign our junior and senior competitions has now translated into a full season of delivery in 2025, with the new Youth Club Championship structure successfully implemented and embedded across the game.

The revised youth football model and expansion of the Senior Men's competitions were rolled out as planned, marking an important milestone in the continued evolution of football in South Australia.

Throughout 2025, Football SA worked closely with Clubs to ensure a smooth transition to the new structures. A series of operational workshops were held across the year with Club Presidents, Technical Directors, and key administrators to gather feedback, identify challenges, and refine processes. These sessions proved invaluable, with a number of practical suggestions incorporated into planning for the 2026 season to further streamline administration, improve match day operations, and reduce the compliance burden on Clubs.

As with any wholesale structural change, there were initial teething issues during the rollout. However, with a full season now completed, systems have been tested, refined, and strengthened. The collective commitment of Clubs, coaches, and administrators has ensured the successful bedding down of the new structure, and Football SA is confident 2026 will be an even smoother and more productive season for all stakeholders.

Youth Competition

Following the unanimous support of Club Presidents at the end of 2023 for a transformative new junior competition model, the Youth Club Championship (YCC) officially launched in 2025.

The YCC is the culmination of an extensive two-year review led by the Competitions and Technical Departments. Its implementation has reinforced South Australia's position as a leader in player development and competition innovation.

Key features of the Youth Club Championship, now successfully embedded, include:

- Consolidated match venues, with teams from the same club playing at one location, creating stronger club identity and operational efficiencies
- A Club Championship table combining match results with player development metrics
- Bonus points awarded to clubs meeting coaching licence criteria and utilising approved player development tracking systems
- Point deductions for disciplinary matters, reinforcing Football SA's Respect Campaign and supporting match officials

COMPETITIONS

The consolidated venue approach has significantly enhanced match day environments, creating a vibrant “sports day carnival” atmosphere widely praised by Clubs and families. Technical Directors have reported improved oversight across age groups, while Clubs have experienced increased food and beverage revenue opportunities through centralised hosting.

The introduction of a final series at the conclusion of the season added further excitement and a different competitive environment, while improved fixture scheduling strengthened match official coverage and mentoring pathways.

Importantly, feedback gathered during the year highlighted areas for operational refinement. Adjustments based on this feedback have already been incorporated into planning for the 2026 season.

COMPETITION OVERVIEW

Senior Men's

Following the successful Expression of Interest for Senior Men's competition process announced in 2024, the 2025 Season marked the first year of the expanded HPG Homes State League 2 competition, and it has proven to be a resounding success.

The opportunity for clubs to access the semi-professional Senior Men's Competition structure for the first time since 2016 reflected the continued growth of football participation across South Australia. The Expression of Interest (EOI) process was designed to strengthen development pathways by aligning junior structures with senior opportunities, and the first season under the new model has validated that strategic direction.

The following clubs were successfully integrated into the HPG Homes State League 2 competition in 2025:

- Adelaide Atletico VSC (subsequently merged with Adelaide Victory)
- Adelaide Titans Football Club
- Elizabeth Grove Soccer Club
- Ghan Kilburn Football Club
- Salisbury Inter Soccer Club

Each club transitioned strongly into the competition, contributing to a highly competitive and balanced season across both conferences.

The introduction of the North and South Conference system was a defining feature of the 2025 season. Designed to deliver more local derbies, reduce travel requirements and improve player retention, the structure achieved its intended outcomes.

Clubs reported positive feedback regarding reduced logistical strain and increased community engagement, with local rivalries generating stronger match day attendances throughout the year. The flexibility to rebalance conferences at the completion of each season also ensures long term sustainability and competitive integrity.

The highlight of the 2025 HPG Homes State League 2 season was unquestionably the Promotion Play Off Series.

In line with the competition design, the top four teams from each conference qualified for the cross-conference finals

series, with conference premiers earning a double chance at promotion to HPG Homes State League 1.

What unfolded was a finals series unlike anything previously witnessed in the HPG Homes State League 2. Both promotion play off matches were extremely well attended, generating an outstanding atmosphere that showcased the passion and growth of the competition. The automatic promotion match between the respective conference premiers as well as the second promotion play-off final attracted significant attention.

The crowd engagement, match day energy and quality of football set a new benchmark for the competition and reinforced the value of the conference model and finals structure.

The competition continues its planned expansion in 2026. Following the previously confirmed inclusion of Barossa United SC and Plympton Bulldogs SC, Football South Australia is pleased to confirm that two additional clubs will be welcomed into the HPG Homes State League 2 competition in 2026 to bring both conferences to 10 teams each:

- Angle Vale SC
- Elizabeth Downs SC

The inclusion of these clubs reflects the sustained strength and appeal of the competition model. Both Elizabeth Downs SC and Angle Vale SC will add further depth, competitiveness and community connection to their respective conferences.

With a full season of the conference system successfully completed, new clubs integrated effectively, and a finals series that elevated the competition to new heights, the HPG Homes State League 2 is firmly positioned for continued growth.

The long-term vision of establishing two North and South conferences of 12 teams remains on track. The momentum generated in 2025 provides strong confidence the 2026 season will be even more competitive and further entrenched as a vital tier within South Australia's senior football pathway.

PlayFootball

The 2025 season also marked the national rollout of the new Football Australia registration system, PlayFootball.

The transition to a new system of this scale across the country required significant planning, resourcing and stakeholder engagement. Football South Australia undertook extensive preparatory work in the lead up to launch, recognising the critical role the system plays in registrations and overall football operations across the state.

A comprehensive education program was delivered to support the rollout. This included training sessions, online workshops, in person forums and targeted support meetings with Clubs and Associations. Step by step guides, recorded tutorials and live troubleshooting sessions were provided to ensure administrators were equipped with the knowledge and confidence to navigate the new system.

Drawing on our experience from the original PlayFootball rollout, the team was better prepared with clearer foresight of potential challenges. This prior knowledge allowed Football SA to proactively identify likely pressure points, establish internal escalation processes and allocate dedicated resources during peak registration periods.

As expected with any wholesale system change of this size, there were initial teething issues. However, the extensive preparation undertaken by the team ensured support mechanisms were in place to respond quickly and effectively.

Football SA staff worked closely with Football Australia and local stakeholders to resolve issues in real time, maintaining open communication and providing regular updates to Clubs and Associations throughout the process.

With the roll out now complete and lessons learned, Football SA is confident of a smoother registration experience in 2026.

A massive thank you to Tracey Dycer who led this rollout in South Australia. It wouldn't have been as smooth or successful without her experience of 15 years with the organisation.

Firas Shahin

SENIOR MEN'S COMPETITION REPORT

The 2025 season saw some exciting changes across the Men's competition.

The 2025 season saw some exciting changes across the Men's competition. Whilst the RAA National Premier League (NPL) and HPG Homes State League 1 (SL1) continued with 12 teams each, the HPG Homes State League 2 competitions became State League 2 North, and State League 2 South, each league with 8 teams.

In 2025, the State League 2 competitions welcomed Adelaide Atletico SC, Elizabeth Grove, Ghan United, and Salisbury Inter. With 8 teams in each division, being geographically based, this presented an opportunity for a guaranteed derby each week.

The season showcased remarkable on-field performances, unexpected upsets, and a fiercely competitive finish, with all four competitions proving to be high performance leagues.

RAA National Premier League (NPL) and State League 1 and 2 Competitions

The 2025 season commenced with Round 1 featuring a standalone fixture between 2024 Grand Finalist, Campbelltown City and MetroStars at Steve Woodcock Sports Centre. A Grand Final rematch in front of a packed North-Eastern crowd, MetroStars got their revenge from the 2024 RAA NPL Grand Final loss, taking home a 3-0 win over Campbelltown to start their successful year on a high.

The season delivered spectacular Grand Finals, starting with State League 2 North Premier's Modbury Vista, taking on State League 2 South Premier's Eastern United on Friday August 22 2025 at ServiceFM Stadium for the first direct promotion to State League 1. In front of over 1,400 spectators, Eastern United proved too strong for Modbury Vista, with a 2-0 win enough to earn the club direct promotion to the 2026 HPG Homes State League 1. Modbury Vista re-entered the Finals Series for a second chance.

The RAA NPL final on September 12, 2025 between heavyweights MetroStars and Croydon FC, followed by competitive championship deciders for State League 1 and State League 2 on 13 September 2025. All three Grand Finals attracted significant crowds at ServiceFM Stadium.

In the RAA NPL, 22 rounds of home and away fixtures showed MetroStars proving too strong for the competition, being crowned Premiers with 52 points, only going down twice throughout the home and away season. Their dominant season and being crowned Premiers of the 2025 RAA NPL also gave MetroStars the rights to be South Australia's inaugural entrant to the 2025 Australia Championships.

The Finals series featured highly anticipated matchups. In the semi-finals, MetroStars triumphed over Adelaide United, whilst Adelaide City and Croydon FC went all the way to penalties after 2 legs. Croydon edging into the Grand Final, where in front of a packed house at ServiceFM Stadium on Friday 12 September 2025, they took on the red hot MetroStars. A fantastic match of football, with MetroStars scoring a 91st minute equaliser thanks to

SENIOR MEN'S COMPETITION REPORT

Cameron Woodfin to almost certainly take the match to extra-time. However, before fans could reload, Croydon FC's Andre Carle came out the woodwork to give his team the winner in the 93rd minute, sending the Croydon fans crazy. Croydon were crowned 2025 RAA NPL Champions after their 2-1 win, stopping MetroStars from claiming the treble in 2025.

Before the game, Football SA hosted a Grand Final Dinner for the third consecutive year, bringing together members from all clubs to celebrate what was a monumental season for football in South Australia.

Season Honours

<i>League Premiers</i>	MetroStars
<i>League Champions</i>	Croydon FC

The HPG Homes State League 1 was extremely competitive throughout the season, with Sturt Lions proving their strength throughout the season, winning 19 out of a possible 22 matches, claiming the Premiership, and direct promotion to the 2026 RAA NPL.

After finishing 3rd in the League, West Adelaide took on Fulham United in a 2 leg semi-final, where they earned their spot in the 2025 HPG Homes State League 1 Grand Final against Sturt Lions with a 3-1 aggregate win. Their entry into the grand final also earned the club promotion into the 2026 RAA NPL.

In the Grand Final, Sturt Lions and West Adelaide delivered an entertaining match. Locked at 2-2 at the end of regular time, the match went into extra time, with a 117th minute goal by West Adelaide's Rovu Boyers proving enough to clinch the Championship for the club.

Both teams are eagerly anticipating their participation in the topflight after successful seasons in 2025.

Season Honours

<i>League Premiers</i>	Sturt Lions
<i>League Champions</i>	West Adelaide

The HPG Homes State League 2 competition entered a new era in 2025 with the introduction of a North and South conference structure, creating SL2 North and SL2 South. The two conferences competed separately throughout the regular season before coming together for a highly competitive and engaging finals series. State League 2 North welcomed new entrants Adelaide Atletico VSC, Ghan United and Salisbury Inter, adding depth and diversity to the competition. In the South conference, Eastern United, following relegation from State League 1, was placed into SL2 South under the new structure.

The introduction of geographically aligned conferences saw local derbies become a regular feature of the season, contributing to strong engagement, increased rivalries and a vibrant matchday atmosphere across both competitions.

Modbury Vista were crowned Premier's of the State League 2 North League, with 42 points, only 4 points clear of Adelaide Atletico VSC. Eastern United claimed the Premiership in State League 2 South with 45 points, only 5 points clear of Adelaide University. The two Premiers, Modbury Vista and Eastern United faced off for the Grand Final on Friday August 22nd at ServiceFM Stadium. In front of an electric atmosphere, Eastern United took the crown 2-0 victors, and earning direct promotion to the 2026 HPG Homes State League 1.

Modbury Vista re-entered the Finals Series, where they met Western Strikers in an elimination final, comfortably winning 6-0 to earn their spot in the Promotion Play-off against Adelaide Atletico VSC. In front of a full ServiceFM Stadium on Saturday 13 September, Modbury Vista returned for their second chance at promotion. Adelaide Atletico VSC in their inaugural year in the State League 2 dominated the fixture and claimed the final promotion spot with a 2-0 win.

Season Honours

<i>North League Premiers</i>	Modbury Vista
<i>South League Premiers</i>	Eastern United
<i>League Champions</i>	Eastern United
<i>Promotion Play-Off Winners</i>	Adelaide Atletico VSC

Australia Cup

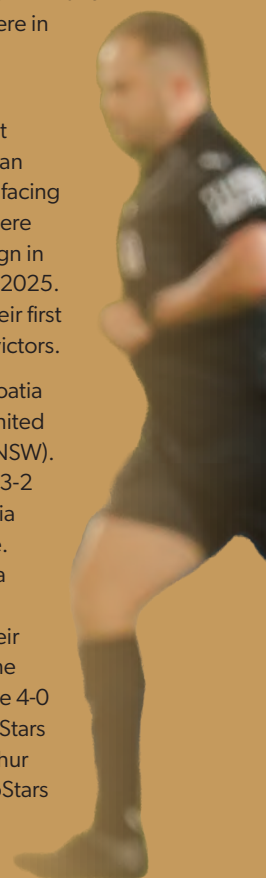

The Hahn Australia Cup returned in 2025, showcasing exceptional performances from Community and Federation clubs. As in previous seasons, Football Australia confirmed that South Australia would receive two Member Federation spots in the Australia Cup Final Rounds. The teams to progress to the Round of 32 were determined by the winners of the Australia Cup Preliminary Rounds SA Semi-Finals.

In the semi-finals, Adelaide Croatia Raiders faced off against FK Beograd and earned their spot into the national stage for the first time with a 1-0 win. MetroStars faced Adelaide Comets, cruising to a 3-1 win and earning their spot once again were in the national round of 32.

The Federation Cup Final took place on Saturday 12 July 2025 at ServiceFM Stadium in what was an exciting match, with MetroStars facing Adelaide Croatia Raiders who were only having a successful campaign in the Cup competition for season 2025. MetroStars however claiming their first trophy of 2025 coming out 3-1 victors.

In the Round of 32, Adelaide Croatia Raiders welcomed Cooks Hill United from Newcastle (NPL Northern NSW). The Newcastle side coming out 3-2 winners, ending Adelaide Croatia Raiders rise to the national stage. MetroStars travelled to Canberra to take on Canberra Croatia, where the SA club continued their well renowned dominance on the national stage with a comfortable 4-0 win. The Round of 16 had MetroStars welcome A-League club Macarthur FC to T.K Shutter Reserve. MetroStars gave it their all, going down 2-0 to Mile Sterjovski's side.

Congratulations to all teams that participated, and a special commendation to Adelaide Croatia Raiders and MetroStars.

Firas Shahin

SENIOR WOMEN'S COMPETITION REPORT

Anticipation ran high for the Women's Competitions in the 2025 season.

The Apex Steel Women's National Premier League welcomed Campbelltown City after promotion from the Women's State League. The season showcased remarkable home and away performances, impressive winning streaks, and surprising upsets, and Campbelltown making the Grand Final in their first year in the competition.

Attendance figures indicated a strong appetite for women's football in the state, with on-field performances clearly demonstrating why.

Apex Steel Women’s National Premier League (WNPL) & Apex Steel Women’s State League

Eighteen senior women’s clubs competed across two divisions: ten in the Apex Steel Women’s National Premier League (WNPL) and eight in the Apex Steel Women’s State League. The WNPL reaffirmed its status as the pinnacle of women’s football in South Australia, with players exhibiting remarkable skill and dedication, leading to a highly competitive season.

West Adelaide showcased their dominance by finishing the regular home and away season undefeated, winning 15 out of their 18 matches, and taking home a draw in their other 3 fixtures, securing the premiership with 48 points—11 points ahead of their nearest rivals, Adelaide Comets. Their success however ended there, exiting the finals series with losses to Adelaide Comets and Campbelltown City.

Adelaide Comets and Campbelltown City faced off in the 2025 Apex Steel WNPL Grand Final on Saturday 6 September 2025, at ServiceFM Stadium in front of over 1,700 spectators. The first time in the 10 years of the WNPL that these two clubs have met in a finals match proved to be an exciting match, finishing with Adelaide Comets 1 - 0 victors over Campbelltown City to claim the Championship, the first for the club.

Season Honours

League Premiers West Adelaide
 League Champions Adelaide Comets

The Apex Steel Women’s State League also saw historic performances in 2025. Modbury Vista achieved an incredible feat, only being defeated twice throughout the home and away season, finishing on 53 points. A close battle with Sturt in 2nd place who achieved a phenomenal 50 points on the table. Sturt Lions faced off against Adelaide University in the Apex Steel Promotion Play-Off on Saturday 23 August 2025 at ServiceFM Stadium, with Adelaide University proving too strong securing a 5-1 win, and securing their spot in the 2026 Apex Steel WNPL.

Season Honours

League Champions Modbury Vista

Women’s National Premier League & Women’s State League Cup

The WNPL/WSL Senior Cup featured all 18 teams vying for glory.

WNPL clubs showcased their dominance throughout the cup, proving too strong for the WSL clubs. Modbury Jets and Modbury Vista from the Women’s State League took the fight to the WNPL clubs reaching the quarterfinals, however, were

defeated by West Adelaide and Salisbury Inter respectively.

The final, held on Saturday 12 July 2025 at ServiceFM was a tremendous occasion. West Adelaide took on the Football SA State Squad in what proved to be an exciting match. West Adelaide continued their dominance however, and after second half goals from Gemma MacFarlane and Lily Di Cola, the 2-0 result gave West Adelaide the trophy.

Marie Spagnoletti

JUNIOR'S COMPETITION REPORT

The 2025 season marked a historic and transformative year for junior football in South Australia, highlighted by the successful introduction of the Nova Youth Club Championship (YCC).

The season commenced on weekend of Friday 7 March 2025 and concluding with Grand Final weekend on Sunday 12 October 2025, the season delivered a renewed sense of competitiveness, development, and collaboration across all levels of the game.

The 2025 season saw a total of 10 600 matches played across the Nova Youth Premier League, Nova Youth State League and MiniRoos competitions reflecting ongoing growth and strength of football participation across the state.

JUNIOR'S COMPETITION REPORT

Introduction of the Nova Youth Club Championship (YCC)

The 2025 season marked the first year of the Nova Youth Club Championship, a premier competition designed to unify the state's top youth teams under a clear, structured, and development-focused framework.

The restructure saw the introduction of three YCC Tiers for Boys (mixed) and two YCC Tiers for Girls. The YCC model ensured like-versus-like competition each week, delivering more balanced and competitive matches and enhancing the developmental environment for players, coaches, and match officials. Clubs embraced the new competition structure with enthusiasm and professionalism and saw multiple benefits including an increase in club investment in Veo cameras, match analysis, performance tracking, and wellbeing programs. A greater emphasis on coach education, leading to improved technical and tactical development. There were noticeable improvements in spectator, coach, and player behaviour, contributing to a safer and more respectful match day experience. The YCC saw a stronger and more supportive environment for match official development, underpinned by improved sideline behaviour and clearer competition standards.

The purpose and vision of the YCC is to promote holistic player development, clear pathways, best practice and collective effort by clubs, coaches, parents and volunteers to create a fun and safe environment with a focus on development.

Youth Club Championship Club Champions 2025

Congratulations to the clubs finishing top of their respective YCC Tiers in the inaugural season:

YCC Tier 1 Boys	Adelaide City
YCC Tier 2 Boys	Adelaide Cobras
YCC Tier 3 Boys	Salisbury United
YCC Tier 1 Girls	Adelaide University
YCC Tier 2 Girls	Adelaide Comets

YCC Nova Youth Premier League – Grand Final Winners (2025)

Congratulations to the Grand Final Winners that were crowned champions of their respective Leagues.

Nova Youth Premier League Grand Final Winners:

U13 YPL A	Adelaide Olympic
U13 YPL B	West Adelaide
U13 YPL C	Adelaide Atletico VSC
U14 YPL A	Adelaide Croatia Raiders
U14 YPL B	Western Strikers
U14 YPL C	Eastern United

U14 YPL B	Salisbury Inter
U13 YPL A	Metro United
U13 YPL B	Sturt Lions

Youth State League (YSL)

Participation in the Youth State League continued to grow across both boys' and girls' competitions, with clubs embracing the opportunity to field more teams and expand community development pathways. The YSL remains a vital component of South Australia's youth football landscape, delivering strong competitive opportunities alongside of the YPL structures.

Carl's Jr. Cup Finals

On Sunday 3 August 2025, 16 Cup Finals were played at Service FM Stadium, attracting strong crowds and creating a memorable day for players and families.

The 2025 season saw the exciting introduction of the Carl's Jr. Youth State Cup, complementing the existing Youth Premier Cup and expanding knockout opportunities for even more teams. Congratulations to all teams and Clubs that participated in the Cup Final.

MiniRoos

The MiniRoos competitions experienced another year of growth, with even more young players joining clubs across the state to begin their football journey.

MiniRoos continues to play a crucial role in developing fundamental skills, confidence, and a love for the game. A strong emphasis on creating positive match day environments contributed to improved player retention and a supportive culture across participating clubs.

Football SA looks forward to building on this momentum, continuing to strengthen pathways, enhance experiences, and support the growth of junior football across the state. The commitment shown by clubs, coaches, players, volunteers, and parents has set a new benchmark for junior development in South Australia.

Sarah Taylor and
Maddison Spertalis-Porter

WOMEN'S COMMUNITY COMPETITION REPORT

The 2025 Women's Community Competition offered a variety of opportunities for players of all abilities and backgrounds to take part in community football.

With the introduction of new clubs, players and initiatives, the season was filled with excitement, milestones, and remarkable achievements for everyone involved from clubs to players to volunteers.

Key initiatives included Pride Rounds and fundraisers for organisations such as Beyond Blue, Stillbirth Organisation enhancing further awareness and support for important causes. Female Football Week provided Women's Community Clubs to recognise and celebrate all women in sport, with 49 Clubs maintaining their 1 Star Rating and 8 Clubs earning their 2 Star Rating in Football Australia's Club Changer Program, highlighting their commitment to best practice club development.

The Club Changer is a Club Development Program that aims to increase club capacity and sustainability. The programs' main objective is to assist clubs by connecting and educating them on best practices and offering ongoing support to enhance clubs' culture and support to all individuals in football. Club Changer accredited clubs are moving forward with greater understanding to programs and services targeting club development.

After the successful expansion of the Women's Community Competition in 2024 with the introduction of the Division 6 South League, 2025 saw the introduction of the Division 6 North League. This growth highlights the increasing interest in women's community football, with a total of 89 teams competing in the 2025 season in comparison to 75 in 2024 showing an 18.67% increase across nine leagues and 57 local clubs. Football SA remains committed to increasing participation in the Women's Community Leagues and ensuring opportunities are available for those who wish to be involved.

Congratulations to the Women's Community teams that were crowned Champions of their respective leagues:

<i>Division 1</i>	Pembroke Old Scholars
<i>Division 2</i>	F.C Summit
<i>Division 3</i>	Playford City
<i>Division 4 North</i>	Parafield Gardens
<i>Division 4 South</i>	Adelaide Jaguars
<i>Division 5 North</i>	Salisbury United
<i>Division 5 South</i>	Southern Breakers
<i>Division 6 North</i>	Pontian Eagles
<i>Division 6 South</i>	Southern Breakers

Congratulations to Adelaide Brasfoot, Campbelltown City, Elizabeth Downs, FK Beograd, Gawler Eagles, Modbury Vista, Northern Wolves, Old Cardijn Collegians, One Tree Hill, Salisbury Sharks, Tea Tree Gully, West Adelaide, and Western Strikers who entered a women's community team for the 2025 season, having not entered a team the previous 2024 season.

The 2025 Women's Community Cup Grand Finals, held at ServiceFM Stadium on Saturday 6 September, saw Pembroke Old Scholars claim the Division 1/2/3 Cup three years in a row, while Parafield Gardens claimed the Division 4/5/6 Cup.

The 2025 Women's Community Season continued to grow stronger with the introduction of another Women's Community Competition League, the introduction of new teams across clubs, and the entry of new clubs into the competition. Football SA looks forward to the continued growth of the Women's Community Competition and remains committed to uphold the integrity of the competition by creating a safe and inclusive environment for all involved.

Marie Spagnoletti

FUTSAL COMPETITION REPORT

Football Australia National Futsal Championships

The 2025 Football Australia National Futsal Championships were held from 8–12 January 2025 at the State Netball and Hockey Centre in Parkville, Victoria. This year marked a significant milestone for Football South Australia, with the organisation once again proudly competing at the highest level of futsal nationally.

Across the five-day event, South Australia competed with distinction, fielding teams in all junior age groups as well as the Youth Men (U19). All teams demonstrated outstanding professionalism, teamwork and resilience.

2025 Nationals – Team Officials & Squads

<i>Team</i>	<i>Head Coach</i>	<i>Team Manager</i>
U12 Boys	David Nye	Maddison Spartalis-Porter
U13 Boys	Rod del Nido	Joanne Campanale
U14 Boys	Peter Maio	Frank Maio
U15 Boys	Tony Scalzi	Emilio Librandi
U16 Boys	Ayoub Hassine	Rebecca Fox
U13 Girls	Alexia Scalzi	Holly De Cicco
U15 Girls	Gary McGrath	Sophie McGrath
U17 Girls	Tony Mansueto	Jeanette Chappel
Youth Men (U19)	Max Primaro	Adamo Ricciardi

Football SA extends its sincere appreciation to all team officials, whose hard work, preparation and professionalism ensured that every player had a high-quality experience. The players represented South Australia with pride, discipline, and competitive spirit throughout the tournament.

State Futsal Championships

The 2025 State Futsal Championships were held on Monday 15 December 2025 at St Clair Recreation Centre, bringing together junior boys and junior girls.

The event attracted:

Over 320 players

40 teams

16 match officials

Numerous team officials, volunteers, FSA staff, and St Clair venue staff

With 6 courts in operation, a total of 94 matches were contested across the day from group stages to finals creating a dynamic and exciting atmosphere.

The State Championships continue to serve as the crucial selection platform for future National Futsal Championships squads. Many participants from the 2025 event will now progress to the 2026 Football Australia National Futsal Championships.

Football South Australia extends its gratitude to all players, coaches, referees, volunteers, and supporters who contributed to another highly successful tournament.

Futsal Competitions & Community Development

Futsal across South Australia continued to grow throughout 2025, supported by strong delivery from affiliated futsal bodies. These organisations play an essential role in providing year-round competitions for players of all ages and abilities.

Regional Futsal Growth

Futsal flourished across several regional zones including:

- Riverland
- Limestone Coast
- Yorke Peninsula
- Port Augusta
- Whyalla
- Jamestown

These regions continue to expand their competitions and participation numbers, contributing to futsal's rising popularity and accessibility statewide.

Metropolitan Competitions

Within metropolitan Adelaide, Futsal SA continued to operate robust senior and junior leagues:

- Weekly Wednesday night competitions
- Sunday competitions
- Summer tournaments from October to mid-December

These competitions remain central to the development of players, officials, and coaches throughout the year.

Football South Australia thanks all affiliated organisations for their commitment and the countless hours of volunteer effort that make these competitions possible.

Building on the success of 2025, Football SA aims to further strengthen futsal programs, expand competitive opportunities, and elevate the sport's profile within the community.

With continued collaboration between FSA, affiliates, clubs, coaches, and volunteers, the future of futsal in South Australia remains bright.

Darryl Simon and
Kyron Smith

FOOTBALL FIVE5 REPORT

In 2022 Football South Australia launched Football Five5, at ServiceFM Stadium on the 10 state-of-the-art purpose built 5-a-side pitches.

In 2022 Football South Australia launched Football Five5, at ServiceFM Stadium on the 10 state-of-the-art purpose built 5-a-side pitches.

The game of 5-a-side is played on an enclosed tennis court sized artificial pitch, with smaller goals and shorter game length. Senior games consist of two 20-minute halves with a 5-minute break and junior games being two 15-minute halves. The game is designed to be fast paced for the full duration of the match, with the ball only deemed out of play when it hits the back fence behind either goal or goes out of the cage. As a result, the game has very few stoppages and allows players to utilise the walls to their advantage, making for great viewing and an exciting match.

Football Five5 is a great way to meet people, stay fit and have some fun all whilst playing football. There are a range of different leagues and competitions for all types of footballers, from beginners wanting to have a social kick around to semi-professionals trying their hand at small-sided football.

In 2025, FiveAA continues as a sponsor of the Football Five5 competition with the commencement of the second FiveAA Football Five5 Club Championship Cup on Wednesday, 3 October which included a boys competition and girls competition with 6 clubs participating in the boys competition and 5 clubs participating in the girls competition. The format included four teams (U9, U10, U11 and U12) in which each club competed against other clubs for points that were attributed to a club championship ladder. The championship was aimed at being a fun day out during the school holidays, given the success of the 2024 season as giving 16 new referees the opportunity to put what they have learnt into practice. With over 300 participants and 120 (20-minute) fixtures throughout the day, there were lots of prizes to be won including access to 10 hours of the 5-a-side courts for free and 50% off Foundations of Football courses and C Diplomas. In the end, Campbelltown City reigned as champions in the boys competition and Adelaide City reigned champions in the girls competitions, taking home winners medals and all the prizes available.

The 2025 FiveAA Football Five5 Summer Leagues this year consisted of Senior and Junior Competitions. Both competitions commenced in the week starting on Monday 13th of October and ran as a 10-week competition until Thursday 18 December. Senior competitions were spread across Monday and Wednesday nights for the duration of the 10-week competition, while Junior competitions were held on Thursdays. Upon reflection, all competitions were huge successes, facilitating a record 122 teams in total. Broken down, there were 33 Junior teams, 9 Mixed teams, 4 Senior Women's teams and 75 Senior Men's teams that participated across the duration of the 2025 season. In conjunction to the record

teams, there were also a record 1,377 registered players across all competitions played at Service FM Stadium, making use of 9 out of 10 Five Aside Courts during the season.

FiveAA Football Five5 Summer Leagues continued to evolve in 2025 not only with record participation but moving to fully digital match sheet and registration made for seamless and efficient processes on matchdays. Use of the SPOTAL scoreboards by Referees added an improved scoring and timing dynamic that allowed for improved player, referee and spectator experiences.

FiveAA Football Five5 also presented itself as a great way for young referees to gain experience in Football. This relatively new product allowed more than 30 new referees to understand what it means to be a referee in football, those who can now move up into refereeing at club fixtures in the outdoor season.

FiveAA Football Five5 offers a product to footballers of all ages that want to continue playing the game socially. With the possibilities of where this game goes is endless, the purpose built 5-a-side pitches have been used for more than just Football Five5, with teams using them for training, coaching courses, gala days, school excursions and more.

The 2025 FiveAA Football Five5 season proved an overwhelming success, and we look forward to a bigger and better 2026 season.

Sarah Taylor and
Maddison Spertalis-Porter

EASTERN ZONE PRIMARY SCHOOLS SOCCER ASSOCIATION (EZPSSA) REPORT

The Football South Australia Eastern Zone School Competition provides primary school-aged children opportunities to participate and develop their skills in a fun and safe environment.

Designed for players of all skill levels, it assists players grow their understanding of the game in a non-competitive environment.

In the 2025 Season, the competition continued to grow with over 116 teams participating across age groups from Under 6 to Under 12. Cedar College and St Andrews College also joined the competition after not participating in the previous season.

The Annual Interzone Champions between the North West Soccer Association (NWJSA) and the Eastern Zone were held on Friday 19 September 2025 at John Hart Reserve. The event provided a wonderful opportunity for all players to compete against new

opponents and showcase their skills. We would like to extend our sincere thanks to the North West Soccer Association for hosting such a fantastic event.

In the Interzone Cup the Eastern Zone's St Joseph's Hectorville Primary United claimed victory over a strong Whitefriars Catholic School team in the Senior Primary Cup. Meanwhile St Joseph's Hectorville Primary County were defeated in a highly competitive

match against Whitefriars Catholic School in the Junior Primary Cup.

The Jim Huffadine Cup and Bill Bell Cup Grand Finals were held at ServiceFM Stadium on Wednesday 27 August 2025. In the Jim Huffadine Cup, Trinity Gardens Gold secured victory over Norwood Primary School in a close and competitive match, while Rose Park Primary School claimed the win over Walkerville Primary School in another high spirited and competitive match.

Football SA would like to sincerely thank all the dedicated supervisors who generously contributed their time and effort throughout the 2025 Season, ensuring the competition ran smoothly and to a high standard each weekend. Special thanks to Aldo Perilli OAM, Camilo Botonero, Gregor Brodie and Thomas Haering for their outstanding commitment and support of the Eastern Zone School Soccer Competition.

LIMESTONE COAST REPORT

It's been a fantastic year for Football in the Limestone Coast, with continued growth and enthusiasm across the region.

Football SA sincerely thanks all stakeholders for their ongoing support and commitment to developing the game in the Southeast.

2025 marked the reaffiliation of Portland Panthers, following their temporary move to the South West Victorian League during the COVID border restrictions. The LCFA, Clubs and Football SA are delighted to welcome them back into the competition.

Participation rates across various programs have been outstanding in 2025. Our Futsal initiative continues to grow rapidly with participation since 2024 doubling with 44 teams and 276 players already registering for the 2025 season.

Additionally, our Development Centre trials were completed in early December seeing the centre rise to 60 participants in 2026. All clubs are represented as well as the addition of more girls' participants. Two regional carnivals in Mt Barker saw 50 of our participants take part in the opportunity to come together and work with likeminded players and new coaches.

We're proud to continue supporting football across the Limestone Coast and are excited about what lies ahead. Our heartfelt thanks go out to our partners the Barry Maney Group, Coopers and Fennell Forestry for their invaluable support, which helps drive the success and growth of our game.

Football SA would like to recognise and thank all clubs for the vital role they've played in making this season a success. Their passion, dedication and support are the foundation of our thriving football community.

2025 also saw the introduction of the inaugural Cross Border Cup. The event provided an opportunity for the Limestone Coast's leading players from junior through to senior levels, to represent the association in a 11-game competition against South West Victoria. Approximately 300 players across the two associations took part.

The Cross Border Cup provided new competition and more opportunities for higher level football closer to the region, as well as adding value to the Team of The Year construct by allowing selected players to play for their association and home.

The Limestone Coast achieved a strong overall result, winning all but one match. Despite the results, all games were competitive and the event was a success. Following the positive feedback the Cross Border Cup is expected to continue for years to come, with the Limestone Coast set to host in 2026.

The 2025 Grand Finals were held on Saturday 20 September and Sunday 21 September, hosted by Gambier Centrals at MGA Park. Football SA extends its sincere thanks to Gambier Centrals for hosting an outstanding weekend of football, particularly given the short notice. Each team displayed tremendous dedication and spirit with five of the seven clubs represented across the Grand Finals. This strong showing highlights the depth of talent within the region and reflects a bright future for local football as clubs continue to grow and develop.

A huge congratulations to the winners and runners-up in each age group. Please join us in celebrating the following teams for their outstanding performances in the Barry Maney Premier League Grand Finals:

WHYALLA REPORT

Football South Australia entered into an agreement with the Whyalla Soccer Association and Whyalla Junior Soccer Association in 2025 for Football SA to administer its competitions.

This agreement was made to support the expansion of football in the region. This included delivery of annual competition fixtures, administering the rules and regulations of the competition, referee appointments, and liaising with club delegates, city council, and government authorities. With development at the core of the agreement with focuses on player and official development, running school holiday clinics, coach and referee education, coordination of the development centre for talented Whyalla footballers, school-based participation

In 2025, Football South Australia delivered a broad and impactful program of football development across regional communities. School Holiday Clinics were conducted in Whyalla, Port Pirie, Port Lincoln, and Roxby Downs, providing high-quality opportunities for young players to learn, play, and grow. Through the Sporting Schools initiative, Football SA engaged more than 15 schools and over 1,500 students through the Eyre Peninsula, introducing the game to new participants and strengthening pathways across the region. The Whyalla Development Centre also continued to expand, supporting 22 dedicated

participants in their technical growth and long-term progression within the sport. We were also able to start the Port Pirie Development Centre and continue the Port Lincoln Development Centre for a second year. Futsal also experienced significant growth, with a 9-team, 2-division competition established in Port Augusta and a 6-team competition delivered in Whyalla, further enhancing year-round participation options for senior players.

The Whyalla Soccer Association and Whyalla Junior Soccer Association are to be commended for their time in administering its competitions over the years, however the centralised administration of all competition and disciplinary matters resulted in immediate benefits. All competitions in the region were administered by Football SA Competitions Staff and its knowledge and expertise of managing competitions. Disciplinary matters formed part of the Football SA Competitions Disciplinary Committee which reviews all match incident reports weekly and provided a consistent application of Rules, Regulations and disciplinary processes.

The Bill Paterson League Cup Final was held on Saturday 6 September at Whyalla Wanderers Ground, Swandel Park with the Reserves League Association Cup and Under 13s League Cup played prior to the match. All teams involved brought great energy and determination, leading to a series of closely fought matches.

The Whyalla Soccer Association Awards Night 2025 was hosted by Whyalla Wanderers at Swandel Park, and the Whyalla Junior Soccer Trophy Day 2025 was hosted by Whyalla Croatia.

Congratulations to the award winners for the 2025 Season and below are just some of the awards presented on the evening:

REFEREE REPORT

The 2025 season was a year of consolidation, structural maturity and workforce stability for the Football South Australia (FSA) Referee Department.

Building on the growth and innovation achieved in 2024, the department focused on embedding consistent systems, strengthening appointment and education processes, and strong welfare and safeguarding structures across all levels of officials.

With a clearly defined staffing model in place, including the General Manager – Referee Education, Training and Compliance, Referee Operations Coordinator, Community Referee Recruitment, Engagement and Support Officer, Referee Administration support and Senior Referee Appointments roles, the department operated with increased clarity and capacity. This structure strengthened the delivery of appointments, education, coaching, welfare and matchday operations across metropolitan and regional South Australia.

Referees continued to support competitions across the Football SA ecosystem, ensuring consistency and integrity throughout the 2025 season.

Registration, Recruitment, and Match Coverage

In 2025, Football South Australia continued to strengthen referee recruitment and transition pathways, with a strong focus on junior and community entry points.

A total of 16 Junior Football Match Official (JFMO) courses were delivered during the year, introducing over 250 participants to the fundamentals of officiating. Of these participants, 140 referees registered and officiated during the 2025 season, reflecting improved conversion outcomes from education to active match participation.

Six JFMO courses were delivered in collaboration with Government, Catholic and Independent high schools. These

school-based courses were supported through onsite engagement, with the Community Referee Recruitment, Engagement and Support Officer attending schools to assist students with registration and the creation of Football Australia Learning Centre accounts. This hands-on approach reduced administrative barriers and strengthened early engagement for young referees.

In addition, five Senior Match Official (SMFO) courses and four SAASL-specific courses were delivered to support community competitions and club-based officiating needs.

Across the 2025 season, 12,681 referee appointments were completed across all competitions. Community competition coverage continued to trend upward, reaching 80.3%, reflecting ongoing growth following previous seasons.

Senior referee coverage achieved 100% for centre referee appointments. When assistant referee appointments are included, overall senior competition coverage was 88.0%. This occurred in the context of continued growth in total fixtures requiring appointment, driven in part by the expansion of competition structures during the season.

Regional Referee Development

Regional referee development remained an important focus in 2025, with education, mentoring and appointment support delivered across the Limestone Coast and Port Pirie regions.

In the Limestone Coast region, 13 participants completed the Junior Football Match Official (JFMO) course, supporting the introduction of new Match Officials into local competitions. In addition, seven local referees attended an in-person continuing education session, providing ongoing development and support for active officials.

REFEREE REPORT

In September, a group of referees and mentors travelled to Port Pirie to officiate at the SAJSA Country Championships. This experience provided young referees with the opportunity to officiate in a championship environment while building strong relationships with peers and mentors. Throughout the weekend, mentors shared their experiences, provided guidance and role modelled professional behaviours, contributing to a positive and supportive learning environment.

Match Official Education and Development

Education, mentoring and development continued to underpin referee progression throughout 2025, aligned with Football Australia frameworks and national coaching direction.

The Eastern Zone School Competition provided a valuable development environment, with many younger match officials gaining experience in a structured and supportive setting as they developed confidence and capacity. Additional finals experience was provided through the Jim Huffadine Cup and Bill Bell Cup, enabling referees to officiate in finals environments and apply learning under pressure.

Targeted mentoring and coaching support were provided to developing referees across major tournaments and finals fixtures. Youth Cup Finals and Youth Championship (YCC) Grand Finals were held at ServiceFM Stadium, with referee coaches onsite to support match official teams before, during and after matches.

The SAJSA State Championships, held over the June long weekend, saw 350 appointments filled by 78 referees across three days. Despite challenging weather conditions on the Saturday, match officials demonstrated resilience and professionalism throughout the tournament. Referees received coaching and formal feedback across the weekend, with the opportunity to immediately apply feedback in subsequent matches.

The Next Level Refs online series continued to support community referee development in 2025, with 102 referees engaging in this important final series preparation resource.

The Referee Academy and Match Official Development Squad (MODS) continued to play a key role in supporting referees identified for higher-level progression. These programs provided structured education, performance feedback and

targeted coaching aligned to the demands of talent and elite pathways.

To further support progression into the talent pathway, an Emerging Referee Education course was delivered in November 2025 for referees transitioning into the talent space. The course was attended by 22 participants and focused on preparing match officials for the increased technical, physical and performance demands of higher-level appointments.

Futsal refereeing continued to grow in 2025 following strong participation in the online Futsal Laws of the Game course delivered in conjunction with Capital Football. This increased interest translated into greater referee availability for the State Futsal Championships held in December, allowing for two referees to be appointed to every fixture. Experienced futsal referees were paired with newly accredited officials, reinforcing mentoring, confidence-building and skill development in a live match environment.

Across the season:

675 coaching and mentoring appointments were completed

312 video coaching reviews were delivered

6 field tests were conducted to support referee progression

Referee Seminar

On Sunday 16 February, Football South Australia hosted its second Community Referee Seminar across two locations, attended by 70 referees and facilitated by emerging leaders within the referee community.

The seminar covered Laws of the Game updates, matchday expectations and practical workshops. Riki Lindsay from Federation University delivered a session on prioritising mental health for peak officiating, supported by breakout discussions with Domenic McNeil focusing on referee mental performance and resilience.

The 2025 Senior Referee Seminar was delivered on 2 February 2025 and provided a key preseason engagement opportunity for South Australia's senior match officials.

The seminar focused on technical alignment, match management, decision making and performance expectations, reinforcing consistency, credibility and alignment with Football Australia's technical direction, delivered by Jon Moss, Football Australia Head of Referees.

Interactive panel discussions and scenario-based learning supported shared understanding across local referees and coaches.

Orange Armbands for Under-18 Referees

The orange armband initiative for referees under 18 continued throughout 2025 as an important safeguarding and retention measure. The initiative clearly identifies young match officials and reinforces expectations of respect from players, coaches and spectators, aligning with Football SA safeguarding principles and supporting referee confidence and retention.

Strengthening Key Partnerships

Collaboration with key stakeholders remained a priority in 2025, supporting referee recruitment, education and match coverage.

Key partnerships included:

- South Australian Amateur Soccer League (SAASL)
- Collegiate Soccer League (CSL)
- South Australian Masters Soccer League (SAMSL)
- School Sport SA

These partnerships provided structured officiating opportunities, practical development environments and supported pathways for emerging referees across multiple formats of the game.

Recognising Key Contributors

Football South Australia acknowledges the contribution of referees, referee coaches, mentors, educators and administrators whose ongoing commitment supported referee development and match delivery throughout the 2025 season.

Closing

Football South Australia extends its sincere thanks to all referees, referee coaches, mentors, facilitators, administrators and partner organisations who contributed to the 2025 season. The professionalism, commitment and resilience of Match Officials continue to underpin the success of football across South Australia.

The 2025 season reinforced the importance of strong systems, consistent education and meaningful support. As we look ahead to 2026, the Referee Department remains committed to building a sustainable, inclusive and supportive environment for Match Officials at all levels.

Elvira Liaptsis

PARTICIPATION AND DEVELOPMENT

Club Development

Football South Australia works with local clubs through Football Australia's national Club Changer Program, supporting clubs to become more resilient, inclusive, and sustainable. By providing guidance, resources, and education, the program helps clubs improve governance, culture, and long-term capacity, ensuring they can deliver high-quality experiences for players, coaches, and volunteers while strengthening grassroots football across South Australia.

In 2025, 122 clubs in South Australia participated in Football Australia’s Club Changer Program, with 25 clubs achieving 2-star status for meeting key criteria in governance, safeguarding, and club development. Football South Australia will continue to work closely with these clubs in 2026, providing ongoing support to help more clubs progress through the program, strengthen their operations, and create welcoming, sustainable environments for players, coaches, and volunteers.

Multicultural

Football South Australia’s multicultural programs continue to play an important role in connecting migrant and refugee communities with their local areas. In 2025, more than 600 participants engaged in MiniRoos Settlement and Multicultural Youth Programs across South Australia, providing young people and families with a welcoming entry point into football and community life.

Key events such as Harmony Week and Refugee Week carnivals brought participants together to celebrate cultural diversity while building friendships and connections with local clubs, schools and community members. Through these initiatives, football acts as a powerful tool for social inclusion, helping newly arrived migrants develop a sense of belonging, strengthen community ties and become actively involved in their local communities.

Sporting Schools

Football programs delivered through the Australian Sports Commission’s Sporting Schools initiative continue to introduce thousands of young people to the game across South Australia. In 2025, more than 11,000 students participated in football programs delivered in schools through the funding, providing students with the opportunity to experience the sport in a fun, inclusive and structured environment.

These programs play a vital role in developing fundamental movement skills, building confidence and encouraging lifelong participation in physical activity, while also creating strong links between schools and local football clubs.

Football in Schools

Football in Schools programs continued to introduce large numbers of young people to the game in 2025, with just

over 1,500 participants taking part across South Australia. Importantly, around 80% of these students were new to football, highlighting the program’s role as a key entry point into the sport. The initiative also supports diverse school communities, with approximately 40% of participants coming from countries where English is their second language.

School Holiday Programs

School Holiday Programs continued to provide engaging football opportunities for young players across South Australia in

2025, with 1,307 participants attending programs delivered across both metropolitan and regional locations.

This year also marked the introduction of a refreshed program structure and rebrand, with Kickstart designed for participants new to the game and Game Ready tailored for players aged 9–14 looking to further develop their skills.

The updated program structure has created clearer development pathways for young players, ensuring sessions are better suited to participant experience levels while providing a fun, inclusive and supportive environment during the school holiday period.

PARTICIPATION AND DEVELOPMENT

Female Football Week 2025

Football South Australia proudly celebrated Female Football Week 2025, recognising the important role women and girls play across all areas of the game.

Throughout the week, clubs and associations across South Australia hosted a variety of activities and events designed to encourage participation, celebrate achievements and create welcoming environments for women and girls in football.

Female Football Week provided an opportunity to highlight the continued growth of the women's game, from grassroots participation through to elite competition. Clubs organised come-and-try sessions, junior development activities, community events and recognition initiatives to celebrate the

players, coaches, referees and volunteers who contribute to the game.

Football South Australia supported these celebrations through promotional campaigns, digital storytelling and collaboration with clubs to showcase the positive impact of female participation across the state. Stories shared throughout the week highlighted the journeys of players and coaches while recognising the work being done within clubs to support the continued growth of the women's game.

The week also reinforced the importance of creating inclusive environments and clear development pathways for female players, coaches and officials.

Female Football Week continues to play an important role in celebrating the achievements of women in football while inspiring the next generation of players and leaders within the game.

Female Football Week Awards – South Australia

As part of the celebrations, Football South Australia recognised individuals who have made an outstanding contribution to the female game through the Female Football Week Awards.

The awards celebrate the achievements of players, coaches, referees, volunteers and community champions who have demonstrated leadership, commitment and positive impact within their football communities.

2025 South Australian Female Football Week Award Winners

Female Player of the Year

Winner Bec Adams – Port Adelaide Soccer Club

Nominees

Hannah Toomey (Campbelltown City SC),
Mary Waldron (Pulteney Old Scholars SC)

Female Coach of the Year

Winner Gracie Styles – Sturt Lions

Nominees

Natasha Athanasiou (Croydon Cougars SC),
Michelle Loprete (Western Strikers SC),
Sienna Mantzarapis (Adelaide University SC)

Female Referee of the Year

Winner Ellie Seaton

Female Volunteer of the Year

Winner Sarah Tosen – Port Adelaide SC

Nominees included

Catherine Allen, Kylie Altorfer, Anna Blazeka,
Alana Bombardieri, Vicki Charlton, Stacey Dale,
Brooke Ellis, Kristy England, Jennifer Favorito,
Ashleigh Hancock, Kerry Hudson, Nayab Jaffari,
Emma Kingate, Sam Lane, Kelly Mathews,
Tania McPherson, Nicky McReynolds, Sonia
Monteleone and Gill O'Reilly.

Community Champion of the Year

Winner Carla Grims – Salisbury United FC

Nominee

Freda Murphy (Adelaide Omonia Cobras)

Each award winner was recognised for their outstanding contribution to the game and selected to represent South Australia at the National Female Football Week Awards, recognising the important role individuals play in supporting and growing the women's game.

Female Football Week continues to play an important role in celebrating the achievements of women in football while inspiring the next generation of players, coaches, referees and leaders within the South Australian football community.

2025 Singa Cup

The Singa Cup is Asia's premier international youth football tournament, offering young players a high-level football experience where they can test their skills against top teams from across the region. Beyond the competition, the tournament uses football as a unifying force, breaking down barriers of race, language, and culture, and fostering strong bonds, teamwork, and mutual respect among players and communities from diverse backgrounds.

In 2025, Football South Australia proudly sent three girls' teams to compete in the Singa Cup, including one U14 team and two U16 teams, with a total of 48 players representing the state. This provided a unique opportunity for young female players to gain international football experience, challenge themselves against top teams from across Asia.

2025 Kuala Lumpur Invitational

In December, Football South Australia took a squad of young players to compete in the Kuala Lumpur Invitational Tournament in Malaysia. The tournament provided an exciting opportunity for players to test themselves against international opposition, gain valuable match experience, and further develop their skills in a high-level competitive environment.

Football South Australia proudly sent three boys teams to compete in the Kuala Lumpur Invitational Tournament, including two U14 teams and one U16 team, with a total of 48 players representing the state.

2025 Interstate Independent Schools Competition

The Interstate Independent Schools Cup returned to ServiceFM Stadium in 2025, continuing to grow as a highly anticipated event on the school football calendar.

The tournament brought together leading Independent Schools from South Australia and interstate, showcasing the strong football programs within the independent school system and providing a high-quality competitive environment for young players. Schools participating in the 2025 competition included Rostrevor College, St Peter's College, Gleeson College and Christian Brothers College from South Australia, along with Moriah College and Newton College from New South Wales.

The event once again highlighted the depth of football talent within the

school system while promoting the values of sportsmanship, teamwork and competitive excellence. Matches were played in a positive and highly competitive environment, with students given the opportunity to test themselves against strong opposition from across the country.

Football South Australia supported the event by providing organisational assistance and access to ServiceFM Stadium, helping ensure the tournament was delivered in a professional environment befitting the quality of football on display.

As the Interstate Independent Schools Cup continues to develop, it provides an important platform for young players to showcase their ability while strengthening relationships between football programs across different states.

Mangong Akuen
and Elvira Liaptsis

AFRICAN YOUTH PROGRAM

In 2025, the African Youth Football Program (AYFP) continued to deliver meaningful outcomes for young people across northern Adelaide, providing an inclusive and supportive environment that uses football as a vehicle for engagement, wellbeing and personal development.

The program engaged 153 students across six secondary schools, including Mark Oliphant College, Playford International College, Salisbury High School, Salisbury East High School, Craigmore High School and Roma Mitchell Secondary College. Delivered as a 17-week early intervention initiative, the program combines structured football sessions with social and emotional learning workshops designed to support students who may be experiencing barriers to education, attendance, behaviour regulation and broader school engagement.

The 2025 program was officially launched with students, educators, community leaders and government representatives coming together to celebrate the beginning of another year of the initiative. The launch highlighted the importance of culturally inclusive programs that support African Australian young people through sport, education and life skills development, reinforcing the role football can play in building confidence, resilience and connection within schools and the wider community.

Each weekly session incorporated a social-emotional learning component followed by football activity, allowing participants to develop communication skills, leadership, teamwork and goal setting while engaging in a positive and structured environment. The program is delivered in partnership with schools and community organisations, ensuring a collaborative approach to student wellbeing and development.

The program achieved strong outcomes across multiple areas during 2025. Average attendance reached 87%, with several students achieving 100% attendance throughout the program. Behavioural incidents across participating schools decreased significantly, with reductions ranging from 25% to 49%.

Positive behaviour records also increased substantially, exemplified by one school rising from 72 positive records in Term 1 to 121 by the end of Term 3. Students with higher behavioural and engagement needs demonstrated marked improvements, including reductions in suspensions, detentions and absenteeism. At Mark Oliphant College, for example, behavioural incidents reduced from 172 in Term 1 to 97 in Term 4.

Throughout the year, students also engaged with a range of external providers delivering workshops on important life topics such as drug and alcohol awareness, road safety and legal education. Support from South Australia Police (SAPOL) and other partner organisations helped strengthen the program's impact by building positive relationships between young people and community services.

A highlight of the program was the African Youth Football Program Carnival Day, held at ServiceFM Stadium, which brought together participants, families, schools and community organisations to celebrate the achievements of the students. The carnival featured football matches, music and activities designed to showcase the talents of the participants while creating a vibrant and inclusive community atmosphere.

The event was attended by The Hon Zoe

Bettison MP, Minister for Tourism and Multicultural Affairs, along with representatives from partner organisations, schools and community groups, demonstrating the strong support for initiatives that empower young people and strengthen multicultural communities through sport.

A key feature of the day was the Career Pathways Zone, where organisations including Flinders University, SAPOL, the Australian Federal Police, TAFE and employment and training providers engaged directly with students, providing information and guidance about future education and career opportunities.

The carnival also featured an All-Star Match, where standout participants were selected based on their commitment, leadership and academic engagement throughout the year. The team competed against a combined Football SA and SAPOL All-Star side, capturing the spirit of the program through teamwork, respect and opportunity.

The day concluded with boys and girls grand finals, bringing together students from participating schools and celebrating the progress made throughout the program. Beyond the football itself, the carnival served as a celebration of the confidence, friendships and personal development achieved by participants across the year.

The African Youth Football Program

continues to demonstrate the powerful role football can play in supporting young people, strengthening school engagement and building connections across communities. Football South Australia remains committed to working alongside schools, government and community partners to ensure the program continues to grow and provide positive opportunities for young people across South Australia.

Partners & Supporters

The success of the African Youth Football Program is made possible through the support and collaboration of a number of key partners and organisations. Football South Australia acknowledges the valuable contribution of:

- **Flinders University**
- **Government of South Australia**
- **Think! Road Safety**
- Participating secondary schools and educators
- Community organisations and program facilitators

Their continued support plays an important role in ensuring the program provides meaningful opportunities and positive outcomes for young people across South Australia.

DEVELOPMENT CENTRES

Football South Australia's Development Centre program continued to play an important role in the state's player development pathway in 2025, providing additional training opportunities for club-based players across both metropolitan and regional areas.

The program is designed to complement club environments by giving young players access to high quality coaching and structured training sessions focused on individual skill development, game understanding and confidence on the ball.

Across 2025, 479 players participated in Football SA Development Centres delivered across the state.

Metropolitan Development Centres

Metropolitan centres were delivered at ServiceFM Stadium and West Beach, providing opportunities for players within the Adelaide metropolitan area to access additional training in a high-performance environment.

A total of 209 players participated across the metro centres, including dedicated programs for boys, girls and goalkeepers.

Location / Program	Players
ServiceFM Boys	64
ServiceFM Girls	34
ServiceFM Goalkeepers	26
West Beach Boys	57
West Beach Girls	28

These sessions focused on strengthening technical foundations, improving game awareness and supporting player development alongside their club commitments.

Regional Development Centres

Football SA continued to deliver a strong regional Development Centre program, ensuring players outside the Adelaide metropolitan area have access to additional training opportunities and pathways into the state's development programs.

A total of 270 players participated across regional centres, which were delivered in:

Region	Players
Adelaide Hills	48
Barossa	11
Gawler	50
Limestone Coast	53
Fleurieu Peninsula	53
Port Lincoln	29
Port Pirie	15
Whyalla	11

Riverland centre did not operate in 2025.

Program Impact

The Development Centre program continues to provide an important entry point into the state's talent identification and development pathway. By training alongside like-minded players and experienced coaches, participants gain exposure to higher intensity training environments while continuing their development within their club programs.

The program also supports the ongoing development of coaches, with many Development Centre coaches actively involved within club environments across South Australia. This approach helps strengthen coaching capability across the game while ensuring consistent development principles are shared between Football SA and its member clubs.

Players identified through the Development Centre program may progress into Football SA State Development Programs and other high-performance opportunities, making the program a key component of the South Australian player pathway.

TECHNICAL REPORT

Football South Australia continued to deliver a range of player development, coach education and talent identification programs throughout 2025.

These initiatives support the ongoing development of players and coaches across the state while strengthening the pathway from grassroots football through to elite performance environments.

South Australia continues to produce talented players progressing into

professional and national team programs. The continued collaboration between Football South Australia, local clubs and national stakeholders ensures that South Australian players remain well represented at the highest levels of the game.

Developing players and coaches remains one of the most important responsibilities we have as a governing body.

The work being delivered through our development programs, coach education courses and national pathway opportunities continues to strengthen football across South Australia.

We are proud to see South Australian players progressing into national teams and professional environments, and equally proud of the coaches and volunteers who help guide that journey at club level every day.

Michael Carter
Chief Executive Officer, Football South Australia

Player Development Pathways

State Development Programs

Football South Australia's state development programs provide high level training environments for identified players across multiple age groups.

These programs offer structured training, match exposure and individual development planning while working alongside club environments to support player growth.

In 2025, the programs continued to align with the Football Australia Academy framework, which aims to strengthen national alignment and provide clearer pathways for emerging players.

The programs focus on:

- technical and tactical development
- physical and mental preparation
- individual player development planning
- identification opportunities for national youth teams

National Youth Championships

Boys National Youth Championships

Football South Australia again sent teams to compete in the Football Australia National Youth Championships, providing players with the opportunity to test themselves against the strongest youth teams from across the country.

Participation in these tournaments provides players with valuable high-performance experience while being observed by national team staff and professional club scouts. The championships remain a key component of the national talent identification system and an important development experience for both players and coaching staff.

South Australian players again performed strongly across the tournament, continuing the state's strong reputation for producing technically capable and competitive players.

Girls National Youth Championships

South Australia's girls teams also participated in the Football Australia National Youth Championships, continuing the strong development pathway that exists within the women's game in the state.

The championships provide players with the opportunity to compete against the country's best young talent while gaining exposure to national youth team coaches and professional club environments.

Participation in these events continues to play a critical role in developing players and preparing them for future national and professional opportunities.

Talent Development Scheme (TDS)

The Talent Development Scheme provides additional opportunities for emerging players to be identified for national youth team programs.

Players are nominated through clubs

South Australian Players in National Teams – 2025

South Australia continues to have strong representation across Australia's national team programs.

Players from South Australia were selected across the following national teams during the year.

Boys

Joeys (U17 National Team)

Amlani Tatu	Henrique Oliveira
Chris Irakoze	Malual Nichola
Feyzo Kasumovic	Noah Ellul

Young Socceroos (U20 National Team)

Bailey O'Neil	Nathan Amanatidis
Ethan Alagich	Panagiotis Kikianis
Fabian Talladira	Panashe Madanha
Jonny Yull	Ryan White
Luka Jovanovic	Steven Hall (GK)
Musa Toure	

Olyroos (U23 National Team)

Alex Popovic	Louis D'Arrigo
Ethan Alagich	Mohamed Toure
Ethan Cox (GK)	Panashe Madanha
Giuseppe Bovalina	Steven Hall (GK)
Lachlan Brook	Yaya Dukuly

Socceroos (Senior National Team)

Brandon Borrello	Nestory Irankunda
Craig Goodwin	Paul Izzo
Joe Gauci	Riley McGree
Kusini Yengi	

and assessed by Football South Australia staff before participating in the matches. National team coaches and professional club representatives regularly attend these fixtures as part of the national scouting and monitoring process.

The program continues to provide an important pathway for South Australian players progressing into higher performance environment.

South Australian Representation

South Australian players continue to achieve selection across national youth and senior teams, highlighting the strength of the local development pathway.

Players from South Australia were represented across a number of national team programs including:

- Joeys
- Young Socceroos
- Olyroos
- Socceroos
- Junior Matildas
- Young Matildas
- Matildas

These selections demonstrate the ongoing contribution South Australian football makes to the national game.

Girls

Junior Matildas (U17 National Team)

Ajok Mathiang	Maeve Nicholas
Mia Trimboli (GK)	Lucy Wicks
Miley Grigg	Ruby King
Sian Dewey	Lauren Disney
Topaz Pawlaczyk (GK)	

Young Matildas (U20 National Team)

Ella Tonkin	Sian Dewey*
Emilia Makris	Anastasia Simic*
Grace Wilson	*won the Pan Pacific 4 Nations Tournament in February 2025
Tanaye Morris	
Ilona Melegh*	

Australia's Women's National U23

Emilia Makris*	* won the Asean Tournament 2025
Ella Tonkin*	

Matildas (Senior National Team)

Alex Chidiac	Charli Grant

South Australian Coaches in National and A-League Programs

South Australia continues to make a strong contribution to the national football landscape not only through player pathways but also through the development of high-quality coaches.

A number of coaches with strong connections to South Australian football currently hold positions within A-League clubs and Australian national team programs, reflecting the depth of coaching expertise developed within the state.

These appointments highlight the important role South Australian clubs and development programs play in preparing coaches for opportunities at the highest levels of the game.

South Australian coaches (2025) currently working within national team and professional club environments include:

Airton Andrioli
Head Coach, Adelaide United

Carl Veart
Head Coach, U17 Joeys

Marcus De Luca
Assistant Coach, Melbourne City Women

Michael Cooper
Assistant Coach, U17 Junior Matildas

Michael Matricciani
Head Coach, Melbourne City Women

Michele Lastella
Assistant Coach, U17 Junior Matildas

Tiarn Powell
Assistant Coach, Adelaide United

Neil Tate
Goalkeeper Coach, Olyroos

Paul Vanis
Head Coach, Adelaide United Youth Team
Assistant Coach, Adelaide United

Players identified through FSA Programs (since 2011)

COACH EDUCATION REPORT

Coach education remains a key focus area for Football South Australia. Supporting coaches at all levels helps improve the quality of player development environments across the state.

Throughout 2025, Football South Australia delivered a wide range of accredited coaching courses, workshops and development opportunities aligned with Football Australia’s national coach education framework.

These courses support coaches working in grassroots football, MiniRoos programs, youth development and senior competitions.

Coaching Workshops

A total of 17 coach education workshops were delivered across the year, including:

- Coaching Conference sessions
- Youth Club Championship coach and Technical Director workshops
- Continuous Professional Development (CPD) sessions

Total attendance: 867 coaches

B Diploma

Football South Australia delivered 1 B Diploma course during the year.

Total attendance: 27 coaches

C Diploma

A total of 5 C Diploma courses were delivered during 2025.

Two additional courses were scheduled but later cancelled due to insufficient registrations.

Total attendance: 118 coaches

Football Foundations of Football (FoF)

A total of 33 Foundations of Football courses were delivered, including specialised goalkeeping and futsal courses.

Four additional courses were scheduled but cancelled during the year.

Total attendance: 509 coaches

MiniRoos Certificate

Football South Australia delivered 10 MiniRoos coaching courses during 2025, with four additional courses cancelled due to registration levels.

Total attendance: 126 coaches

2025 Coach Education Summary

2025 EVENTS

Sport of Business | 2025 Season Launch

The Sport of Business 2025 Season Launch presented by Coopers Brewery was held on Friday 21 February 2025 at the newly completed visitor centre at Coopers Brewery, bringing together the South Australian football community to mark the beginning of the RAA National Premier League (NPL) and Apex Steel Women's National Premier League (WNPL) seasons.

Andrew Cooper, Michael Carter and The Hon Emily Bourke

The event welcomed more than 100 guests including representatives from senior clubs, corporate partners, and key stakeholders from across the game. The gathering provided an opportunity to connect with the football community while building excitement ahead of the upcoming season.

Football South Australia CEO Michael Carter hosted the event, with guests officially welcomed by Andrew Cooper, Director and sixth-generation member of the Coopers family. The football community was also addressed by the Minister for Recreation, Sport and Racing, the Hon Emily Bourke, who introduced herself to the football community and acknowledged the continued growth and importance of the game across the state. The event concluded with closing remarks from Football South Australia President Dr Jane Rathjen.

The afternoon also featured a series of interviews hosted by Stefan Mauk (Adelaide United and host of The World Game on FiveAA), who spoke with Playford Patriots Head Coach Ben Moore and Flinders United Head Coach Tom Monsigneur about the upcoming NPL and WNPL seasons and their expectations for the year ahead.

The Sport of Business Season Launch provided a valuable platform for clubs, partners and stakeholders to engage ahead of the season while reinforcing the strong connections between football and the broader South Australian business community.

Football South Australia thanks Coopers Brewery for hosting the event and acknowledges the ongoing support of partners and stakeholders whose involvement continues to strengthen the game across the State.

RAA NPL Grand Final Dinner

The traditional RAA NPL Grand Final Dinner presented by ServiceFM was held ahead of the 2025 decider at ServiceFM Stadium, bringing together more than 150 guests including club presidents, corporate partners, Football SA Board Directors and members of the football community. The event provided an opportunity to preview the highly anticipated Grand Final between MetroStars and Croydon FC, two clubs with a long and competitive history in South Australian football.

The evening celebrated the achievements of the season while recognising outstanding contributions to the game. During the event, the RAA NPL Gatorade Team of the Year was announced, and a number of individuals were honoured with Football South Australia Life Membership, acknowledging their exceptional service and contribution to football in the State.

The dinner continues to be an important part of the Grand Final tradition, providing a moment for the football community to reflect on the season before the culmination of the competition on the field later that evening.

South Australian History Festival – Football SA Exhibition

As part of the South Australian History Festival, Football South Australia hosted a special exhibition at ServiceFM Stadium, celebrating the rich history and cultural significance of football in the State.

The exhibition provided visitors with a unique opportunity to explore the development of football in South Australia, from its early beginnings through to the modern game. A range of historical items were displayed, including trophies, medals, photographs and archival materials that highlight the contributions of players, clubs, volunteers and communities who have shaped the

sport over many decades.

Members of the Football SA History and Museum Working Group were on hand during the sessions to guide visitors through the exhibition, sharing stories and insights into the game’s past and the people who helped build football into the sport it is today.

The event formed part of Football SA’s ongoing commitment to preserving and celebrating the history of the game, ensuring that the legacy of football in South Australia continues to be recognised and shared with future generations.

NPL All Stars vs Adelaide United

Event Overview

The NPL All Stars vs Adelaide United matches returned in 2025, continuing the successful collaboration between Football South Australia and Adelaide United to showcase the best talent from the state’s National Premier League competitions.

Held at ServiceFM Stadium following the conclusion of the Men’s and Women’s NPL seasons, the event again provided a unique opportunity for standout NPL players to test themselves against professional opposition while celebrating the strength of South Australian football.

The All Stars matches have quickly become a highlight on the local football calendar, drawing strong crowds and providing an exciting platform for players, clubs and supporters to come together to celebrate the season.

one

Football Community

Held at the Adelaide Convention Centre, the 2025 event welcomed close to 1,100 guests, including players, coaches, match officials, volunteers, club representatives, corporate partners and leaders from across the football community. The evening provided a fitting opportunity to recognise the achievements and contributions that shaped the season across all levels of the game.

The evening was hosted for the first time by respected broadcaster George Donikian, who served as Master of Ceremonies and guided the program throughout the night, helping create a celebratory and engaging atmosphere for guests.

The event was also attended by The Hon Rhiannon Pearce MP, Minister for Recreation, Sport and Racing, who addressed the audience during the evening. Minister Pearce, who was appointed to the portfolio in September 2025 following a cabinet reshuffle, acknowledged the important role football plays in communities across South Australia and commended the contributions of volunteers, clubs and participants who continue to grow the game.

The Hon Rhiannon Pearce MP

The Celebration of Football continues to serve as a unique occasion where the entire football family comes together. From grassroots volunteers and emerging young players through to elite performers and long-serving administrators, the event highlights the breadth of people who contribute to the growth and success of football in South Australia.

The evening celebrated the outstanding achievements across Football South Australia competitions and the wider football community. Individual honours, competition awards and community recognitions acknowledged the dedication, commitment and performances that defined the season.

Community recognition remains a cornerstone of the Celebration of Football. The Football SA Community Awards recognise the efforts of volunteers, coaches, administrators and contributors who support the game at club and association level. These individuals represent the backbone of football in South Australia, and their work continues to ensure that clubs and associations thrive.

Another special moment during the evening was the Hall of Fame induction ceremony, recognising individuals whose achievements and contributions have left a lasting impact on football in South Australia. These inductions celebrate the rich heritage of the game and the people who have helped shape its history.

The event continues to grow in both scale

“
The RAA Celebration of Football is the moment where the entire football family comes together as one collective group to recognise the people who make our game what it is.

Michael Carter
CEO, Football South Australia

and significance each year, reflecting the strength and unity of the South Australian football community. The 2025 Celebration once again demonstrated the pride, passion and camaraderie that exists across all levels of the game.

Football South Australia extends its sincere thanks to RAA, along with all partners and sponsors who support the event, and staff whose efforts ensure the evening's continued success.

The RAA Celebration of Football remains a highlight of the football calendar, providing an opportunity for the entire football family to come together and celebrate the achievements of the season.

FINANCIAL STATEMENTS

Notes to the financial statements For the year ended 31 December 2025

Note 1. General information

Football Federation SA Incorporated is a not-for-profit incorporated association, incorporated and domiciled in Australia. The financial statements are presented in Australian dollars, which is Football Federation SA Incorporated's functional and presentation currency.

Registered office and principal place of business

SA State Centre of Football
Matildas Drive, Gepps Cross
South Australia

The financial statements were authorised for issue on 25 March 2026.

Note 2. Material accounting policy information

The accounting policies that are material to the incorporated association are set out below. The accounting policies adopted are consistent with those of the previous financial year, unless otherwise stated.

Basis of preparation

This special purpose financial report has been prepared for the purposes of complying with the *Associations Incorporation Act 1985*. The directors have determined that the Association is not a reporting entity.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar. The following material accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

Income Tax

The Association is not subject to income tax and therefore no income tax expense or income tax payable is shown in the financial statements.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short term highly liquid investments with original maturities of three months or less, and bank overdrafts.

Trade and other receivables

Trade receivables and other debtors include amounts due from members as well as amounts receivable from customers for goods sold in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Accounts receivable are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less an allowance for expected credit losses.

Other receivables are recognised at amortised cost, less any allowance for expected credit losses.

Inventories

Inventories held for sale are measured at the lower of cost and net realisable value.

Investments and other financial assets

Investments and other financial assets are initially measured at fair value. Transaction costs are included as part of the initial measurement, except for financial assets at fair value through profit or loss. Such assets are subsequently measured at either amortised cost or fair value depending on their classification. Classification is determined based on both the business model within which such assets are held and the contractual cash flow characteristics of the financial asset unless an accounting mismatch is being avoided.

Financial assets are derecognised when the rights to receive cash flows have expired or have been transferred and the incorporated association has transferred substantially all the risks and rewards of ownership. When there is no reasonable expectation of recovering part or all of a financial asset, its carrying value is written off.

Financial assets at amortised cost

A financial asset is measured at amortised cost only if both of the following conditions are met: (i) it is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and (ii) the contractual terms of the financial asset represent contractual cash flows that are solely payments of principal and interest.

Impairment of financial assets

The incorporated association recognises a loss allowance for expected credit

losses on financial assets which are either measured at amortised cost or fair value through other comprehensive income. The measurement of the loss allowance depends upon the incorporated association's assessment at the end of each reporting period as to whether the financial instrument's credit risk has increased significantly since initial recognition, based on reasonable and supportable information that is available, without undue cost or effort to obtain.

Property, plant and equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses recognised in surplus or deficit. A formal assessment of recoverable amount is made when impairment indicators are present.

The depreciable amount of all fixed assets, including buildings and capitalised lease assets, is depreciated on a diminishing value basis over the asset's useful life commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable asset are:

Leasehold improvements	5.0%
Plant and equipment	7.5% to 50%
Motor vehicles	17.5%

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing net proceeds with the carrying amount. These gains and losses are recognised in surplus or deficit in the period in which they occur.

Right-of-use assets

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct costs incurred, and, except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying asset, and restoring the site or asset.

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter. Where the incorporated association expects to obtain ownership of the leased asset at the end of the lease term, the depreciation is over its estimated useful life. Right-of-use assets are subject to impairment or adjusted for any remeasurement of lease liabilities.

The Association has elected not to recognise a right-of-use asset and corresponding lease liability for short-term leases with terms of 12 months or less and leases of low-value assets. Lease payments on these assets are expensed to profit or loss as incurred.

Impairment of assets

At the end of each reporting period, the Association assesses whether there is any indication that an asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in surplus or deficit.

Where it is not possible to estimate the recoverable amount of an individual asset, the Association estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Where the future economic benefits of the asset are not primarily dependent upon the asset's ability to generate net cash inflows and when the entity would, if deprived of the asset, replace its remaining future economic benefits, value in use is determined as the depreciated replacement cost of an asset.

Trade and other payables

Accounts payable and other payables represent the liabilities outstanding at the end of the reporting period for goods and services received by the Association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

Provisions

Provisions are recognised when the Association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Lease liabilities

A lease liability is recognised at the commencement date of a lease. The lease liability is initially recognised at the present value of the lease payments to be made over

FINANCIAL STATEMENTS

the term of the lease, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Association's incremental borrowing rate. Lease payments comprise of fixed payments less any lease incentives receivable, variable lease payments that depend on an index or a rate, amounts expected to be paid under residual value guarantees, exercise price of a purchase option when the exercise of the option is reasonably certain to occur, and any anticipated termination penalties. The variable lease payments that do not depend on an index or a rate are expensed in the period in which they are incurred.

Lease liabilities are measured at amortised cost using the effective interest method. The carrying amounts are remeasured if there is a change in the following: future lease payments arising from a change in an index or a rate used; residual guarantee; lease term; certainty of a purchase option and termination penalties. When a lease liability is remeasured, an adjustment is made to the corresponding right-of-use asset, or to profit or loss if the carrying amount of the right-of-use asset is fully written down.

Employee benefits

Short-term employee benefits

Liabilities for wages and salaries, including non-monetary benefits, annual leave and long service leave expected to be settled wholly within 12 months of the reporting date are measured at the amounts expected to be paid when the liabilities are settled.

Other long-term employee benefits

The liability for annual leave and long service leave not expected to be settled within 12 months of the reporting date are measured at the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

Goods and Services Tax ('GST')

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

Revenue

Facility funding

Facility development funds are recognised in surplus or deficit in the period in which the associated costs are incurred. Funds received in advance are recognised as a liability until costs are incurred and revenue is recognised.

Grant revenue

Grant revenue is recognised in surplus or deficit in the period in which associated costs are incurred.

Donations

Donations and bequests are recognised as revenue when received.

Interest income

Interest income is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Services revenue

Revenue from rendering services is recognised over time as the services are rendered and the performance obligation is satisfied.

Note 3. Critical accounting judgements, estimates and assumptions

The Association evaluates estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and industry data, obtained both externally and within the Association. Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses are provided below.

Estimation of useful lives of assets

The incorporated association determines the estimated useful lives and related depreciation charges for its property, plant and equipment. The depreciation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

Comparative Figures

When required by Accounting Standards or for improved presentation of the financial report, comparative figures have been adjusted to conform to changes in presentation for the current financial year

	Net cash from operating activities	6,919,925	46,816

Directors' Declaration For the year ended 31 December 2025

In the directors' opinion:

- the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements. Accordingly, as described in note 2 to the financial statements, the attached special purpose financial statements have been prepared for the purposes of complying with the *Associations Incorporation Act 1985*;
- the attached financial statements and notes give a true and fair view of the incorporated association's financial position as at 31 December 2025 and of its performance for the financial year ended on that date; and
- there are reasonable grounds to believe that the incorporated association will be able to pay its debts as and when they become due and payable.

In accordance with section 35(5) of the *Associations Incorporation Act 1985*, the Board of the Football Federation SA Incorporated hereby state that during the financial year ended 31 December 2025:

- (i) no officer of the association;
- (ii) no firm of which an officer is a member;
- (iii) no body corporate in which an officer has a substantial financial interest;

has received or become entitled to receive a benefit as a result of a contract between the officer, firm or body corporate and the association, except as disclosed in the notes to the accounts.

No officer of the association has received directly or indirectly from the Association any payment or other benefit of a pecuniary value.

On behalf of the directors

Dr Jane Rathjen
President

25 March 2026

Martin Small
Chair - Finance and Audit Committee

Independent Auditor's Report to Football Federation SA Incorporated

REPORT ON THE AUDIT OF THE FINANCIAL REPORT

Opinion

We have audited the financial report of Football Federation SA Incorporated ("the Association"), which comprises the statement of financial position as at 31 December 2025, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and Directors' declaration.

In our opinion, the accompanying financial report presents fairly, in all material aspects, the financial position of the Association as at 31 December 2025, its financial performance and its cash flow for the year then ended in accordance with the accounting policies described in Note 2 and the requirements of the *Associations Incorporations (SA) Act 1985*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the auditor independence requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* ("the Code") that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting and Restriction on Use

We draw attention to Note 2 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the financial reporting responsibilities under the *Associations Incorporation Act (SA) 1985*. As a result, the financial report may not be suitable for another purpose. Our report is intended solely for the Association and its members and should not be used by parties other than the Association and its members. Our opinion is not modified in respect of this matter.

Responsibilities of Management and the Directors for the Financial Report

Management is responsible for the preparation of the special purpose financial report that gives a true and fair view in accordance with the accounting policies described in Note 2 and the requirements of the *Associations Incorporation Act (SA) 1985* and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the special purpose financial report, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
